

The Chocolate Chip Ghost By Meighan Peifer

The chocolate chip ghost book

This was read at our library Halloween story time. It was a super cute story. Great for the 2-3 yr range learning their colors. The Chocolate Chip Ghost Meet five of the most mischievous and cutest little ghosts ever created. The Chocolate Chip Ghost will appeal to preschoolers and early readers. It gently introduces children to the concept of consequences: what happens when the little ghosts disobey their Papa right before Halloween. Children will learn about expectations, responsibilities, and most of all, the unconditional love of a parent. The Chocolate Chip Ghost.
